The Materials Research Society of Singapore is a non-profit professional organization. Its primary function is to host conferences, courses and visits to local industries to promote interactions among professionals and students from a wide variety of scientific and engineering disciplines. Membership is open to anyone with an interest in materials development, processing or characterization.

Membership Options

Membership categories are:

- a. Honorary Membership
Awarded to persons who have made significant contributions to the advancement in the field of materials science and engineering.
- b. Professional Membership
Open to any person with tertiary qualification engaged in activities associated with materials science and engineering.
- c. Corporate Membership
Open to any organization that is engaged in activities that deal with materials science and engineering.
- d. Student Membership
Open to any student of a tertiary institution interested in the practice of materials science and engineering.
